

Grease Lightning
91 Bay Ave
Newark NJ
973-531-7816

Grease Lightning is pleased to enter into a Used Cooking Oil (UCO) Collection Agreement with _____ under the following terms and conditions. This agreement begins on the Effective Date: _____ and will continue until either party notifies the other in writing with 60 days notice.

At signing, Grease Lightning will provide a proper receptacle at the collection site. On the collection date established below, Grease Lightning will collect, remove and recycle all stored UCO in our provided receptacle free of charge. Each day after delivery we will notify you via email that the collection was completed cleanly and that the collection site is free of contamination.

Collection Information:

What day of the week would you prefer your pickup? Mon Tues Wed Thurs Fri Sat Sun
What time of day is best for pick up? ____ AM ____ PM
How many gallons of cooking oil do you go through each month? _____ GALLONS

Container:

Address of Establishment: _____
Where on the premises will the container be placed?

Will it be INDOORS or OUTDOORS ?
What needs to be done to set up the container?

Please Note: All storage containers must be kept on the establishments property in either the rear of the facility or in the basement, not in the public's right of way, sidewalks and/or public streets. No storage containers may be kept in the front of the property or in an alley way.

Helpful Info:

What do you do with your brown grease?

What type of virgin oil do you use?

Contact Information:

Grease Lightning will contact you in case there are any issues with the collection, or the collection site, and will notify you after every scheduled pick up that the collection was executed properly.

Contact Phone: _____ Contact Email: _____

The Receptacle and all UCO deposited in it are the property of Grease Lightning. Grease Lightning shall also be the exclusive contractor for the removal of UCO for the term of this Agreement. Partner shall not permit a person or entity other than Grease Lightning to remove UCO from the Receptacle.
